Tryout Packet

Welcome to the Cypress Woods Crimson Cadette Organization!!

First, thank you for your interest in this program. I hope this packet along with the parent/hopeful meeting will answer the questions you have about the organization. Each hopeful selected will become a part of an organization that represents positive qualities and a standard of excellence that Cypress Woods High School has become known for! My number one goal for the Cadette organization is to have a group of talented, focused young ladies working together as team members who strive for excellence in dance and are willing to work hard to get there.

Please read this entire packet so that you can make a well informed decision to tryout. This organization will be a lot of fun if you like to be really busy and can handle the fast pace. However, it can make you very unhappy if you do not like structure, rules, hard work, and a busy schedule.

There are deadlines and requirements outlined in the packet that you and your parents should become very familiar with. The first is the required hopeful/parent meeting scheduled for **Thursday, March 4 at 7:30pm on zoom**. The zoom code will be posted in our schoology course that you will need to join. (info on that is in the packet) We will review important tryout information and answer any questions that you may have about the tryout process. This is the first step in trying out for Crimson Cadettes. You **must** have a parent or guardian with you on zoom for the meeting.

The tryout process will take place over the course of a few days and can be very stressful. The hopeful/parent meeting is designed to answer any questions you may have in order to make the process run as smoothly as possible. For the day of tryouts, March 19 you are required to stay until the end of the tryout process in case the judges would like to call you back. Please be prepared with snacks and something to work on while you wait. After each group has gone and any callbacks have been reviewed, the first natural break in scores will be found and the selection for the 2021-2022 Crimson Cadettes will be made.

Although Crimson Cadettes will take a TON of responsibility, determination, and hard work, it can truly add so much to your high school career! Being a part of Cadettes is something that you will hopefully treasure. I trust that as you go through the tryout process you will develop an appreciation for drill team and a respect for the girls that are selected to become part of the team.

Remember, the tryout process is long and can be difficult sometimes. Please keep a positive attitude through the very end!

Best of luck,

Mrs. Gregory

Team Tryouts

Eligibility:

- All hopefuls and one parent must attend a pre-tryouts meeting on zoom **Thursday March 4 at 7:30pm** (zoom code will be in our schoology course)
- All Hopefuls must have a current physical. The physical must be on file or given to Mrs. Gregory before they may participate in any movement portion of the tryout process. Physical forms can be found on the CFISD Athletics website. The physical must be current (within the past year). This physical needs to be turned in with the tryout application if a physical is not already on file with the school. The application and consent form is due March 5.
- For this tryout Hopefuls must be entering 9th grade for the 2021-2022 school year or be a current Cy Woods student.
- Hopefuls must be living in the Cypress Woods attendance area at the time of the tryout or have completed a transfer. Residence codes will be checked and transfers must already be approved by CFISD before tryouts.
- Hopefuls must have a conduct grade of all E's and S's.
- Hopefuls and their parents must read over the district handbook and campus addendum and agree to it. Both can be found on the Cadette website
- All hopefuls must ***take and pass*** a constitution test over the rules, procedures & guidelines of Crimson Cadettes. You are responsible for getting a copy of the district handbook and campus addendum found online. The hopeful is responsible for studying for the test on her own. The handbook can be found on the Cadette website- www.crimsoncadettes.com The test will be posted in schoology and must be completed by March 5. This score does not go into your tryout score but you must pass the test (score of 70 or above). The test will be made up of true/false, matching and multiple choice questions. If you do not pass the test you will have another opportunity to retake the test in person on March 18 and if you do not pass the test March 18 you will be cut from the tryout process so you will no longer be an eligible Cadette candidate.
- You will need to secure a ride to get you to Cy Woods and take you home after each day of the clinic, tryouts and practices.
- All assistant principals will be checking the hopeful list for the following...
 - ✓ Any level 3 violation of the CFISD Student Code of Conduct
 - ✓ Two or more referrals to DMC
 - ✓ Suspension
 - ✓ Excessive absences as defined in the C.F.I.S.D Code of Conduct...no more than 9 absences
 - ✓ Assignment to AEP
 - ✓ Expulsion

If any of the above are found you will not be able to tryout.

Registrars will also verify that you are zoned to Cy Woods HS or have completed a transfer

If you do not make Cadettes it is encouraged to tryout again the following year and get into drill team training/dance class at Cy Woods to help them prepare for the next tryout.

Facts about the Dance Team

- ☞ Dance experience helps, but is not necessary to make the team.
- ☞ Dance experience does not guarantee you a spot on the dance team.
- ☞ All members follow a STRICT disciplinary system and Cadettes require a lot of time. Please become familiar with the handbook before you make your decision to tryout.
- ☞ Once new members are selected they are then called JA's (Just Added) members. JA's must meet all requirements during their JA semester to then be inducted into Crimson Cadettes in the summer.

JA's may not receive any more than 5 demerits. Once a JA has received 5 demerits no induction into Crimson Cadettes will occur.

- There is no standard of appearance required (height, hair length, etc.)
- Some of the skills (more will be included) that will be in the tryout routine- splits (left and right), double and triple pirouette (right), calypso leap (right), grande jete, a la seconde fouetté turns, high kicks, stationary leap.
- A double pirouette, flat splits along with a flat grande jete/leap, calypso leap, and kicks are very basic skills for Cadettes. You should also understand how to roll to the floor out of a calypso leap.
- If you are wanting even more help to prepare for tryouts Jazz classes and drill team prep classes at a dance studio can be good idea.
- If you have never taken dance lessons before it may be hard to make the team your first time. If you do not make the team this year and this is something you want to be a part of don't give up! Prepare to tryout again the following year and get in the drill team prep class at Cy Woods your freshman year.

Things to Know About Crimson Cadettes...

Drill team is an organization that develops girls into young ladies by means of competitive dancing. They know and care about what will and will not help them to be successful as a team, and are willing to put forth the effort to attain success. I believe this trait is learned by following a strict discipline code that teaches responsibility and self control. The Crimson Cadette organization focuses on teamwork, the promotion of school spirit, and tradition. Through these things, the Cypress Woods Crimson Cadettes will be an example that others in the community will strive to follow!

Time:

Your family schedules will sometimes have to be adjusted to accommodate your daughter's commitments in Cadettes. This is a TEAM activity, so each girl must be present for ALL rehearsals and performances. Parents will be asked to give their time organizing events, chaperoning football games, helping with fundraising and events, preparing costumes, and perhaps most importantly, to attend as many performances as possible. Cadettes perform at all varsity football games and pep rallies at Cy Woods. In the spring Cadettes compete as a team in approximately five dance competitions a year along with performing in their annual spring show to close out their year. Cadettes practice every day after school and even on some school holidays along with a few Saturdays throughout the year. Schedules are always given far in advance.

Money:

Every effort is made to keep expenses reasonable, but there are considerable costs associated with Cadettes. In an effort to ease the financial burden, the Cadette Booster Club and Cadettes will participate in fundraising to help defray team expenses. Each girl and her family are encouraged to support these events by giving their time and talents, because each family directly benefits the organization.

Emotional Involvement:

Each girl will have her triumphs and disappointments in tryouts and also Cadettes. The love and support of her family will be important to her. Celebrate her

triumphs – she worked hard to earn them. Console her during her disappointments, but remember that learning to deal with frustration and pressures are part of her maturation process. Your **POSITIVE ATTITUDE** will influence your daughter’s reactions to her experiences. Your daughter should express concerns to the director. Many problems arise from simple misunderstandings and there are always improvements to be made, so communication is the only way to affect a solution.

Other Requirements

- ✓ In the fall 2021 new members will join the current Cadettes and members must be enrolled in the drill team period (7th period). This class will meet everyday during the afternoon period. New JA’s will have a few practices to help train them to join Cadettes and help ease the transition in the spring- dates will be communicated to those who make the team.
 - ✓ Complete the google form on schoology with all your information upon joining the course.
 - ✓ Cadettes is a costly activity. All members must be willing to pay ALL financial obligations in a timely manner. All Cadettes purchase their own supplies. The supply cost will be split into payments for their dance supplies, and Cadette items they will receive at summer. This balance will be split into payments along with due dates. This will be approximately \$1600 for new members. No supplies will be given out until supply cost is paid in full. Returning Cadettes supply cost is less as they do not have to purchase everything again only new items for the year and fees. This can be turned in to Mrs. Gregory and paid by cash or check to CCBC. The supply order will be sent out to those who make the team.
 - ✓ Participation in all fundraising is expected. The fundraising activities help each family reduce the cost of trips, contest entry fees, and costumes for all of our Cadettes. JAs will participate in a fundraiser towards the beginning of the spring to help purchase spring show costumes.
- **Please also see Financial Obligations below** Trip currently pending*
- ✓ All members must agree to represent Cypress Woods HS in a positive manner outlined in the Cadette addendum, CFISD Drill Team Handbook, and C.F.I.S.D Student Code of Conduct.
 - ✓ Members must maintain a role-model position in which high morals are to be exhibited at ALL TIMES. If these standards of behavior are not maintained, the member will be dismissed as per the handbook/addendum.

Crimson Cadette Approx. Financial Obligation

	Supply Cost	16 th line out of state trip	Extras
New member payments	\$1600	\$2400	\$500
Returning Member payments	\$700 -1200	\$2400	\$500

*These payments are based on past year’s prices and may vary *
There are additional fees for line & social officers

Cadettes also participate in numerous fundraisers (approx. one a month) to help off set costs for trips. Cadettes must meet all financial obligations in order to participate. Next year is an out of state year for Cadettes so the trip will cost more than our in state trips. Cadettes switch every other year whether trips are in state or out of state.

If you make it:

Your number will be posted online on the Cadette website the evening after tryouts conclude.
 ***If you do make the team parents will receive an email with information on how you will proceed.
 You will also need to attend all Cadette practices listed on the last page of this packet.

Crimson Cadettes 16th line Tryout Parental Consent Form 2021

My child, _____ and I have discussed the responsibilities of being a member of the Crimson Cadettes Drill Team, such as cost, time involved, physical requirements, performance tryouts and the Cadette rules. I understand her obligations and responsibilities as a member and I will help and support her during her assignments throughout the entire year. I have also reviewed the CFISD drill team guidelines and Crimson Cadettes addendum and understand drill team members follow a strict disciplinary system and agree to abide by it. Cadettes and their parents are expected to participate fully, have good attendance at practices/events and be a team player.

I realize that if my child should make the team, she will not be guaranteed a spot in each performance. Tryouts for most performances will determine if a member is in a dance and will perform.

I realize that the financial obligation must be met in a timely manner in order for my child to participate. I understand that each individual member must pay for her own drill team supplies, fees, travel, choreography, performance and practice wear, etc. Since drill team is an extra-curricular activity there are no funds available for those who may need financial assistance. Fundraisers will be done but most cost must be covered by the drill team member. It is the individual member's parent/guardians who are responsible for finding means to cover the fees associated with drill team. Drill team fees are non refundable.

I understand that my daughter must be all requirements and deadlines in order to continue in the tryout process that were listed and discussed in the tryout packet.

I agree that my child is physically able to tryout without risk of physical harm. I give my permission for my child to participate in tryouts and understand as well as agree that the decision of the judges will be final. My child will also follow all COVID guidelines.
